

Community Sector Consultation on the Residential Energy Efficiency Scheme

Members of the community services sector are invited by SACOSS and the Department of Transport, Energy & Infrastructure (DTEI) to a consultation on the new Residential Energy Efficiency Scheme (REES).

This is an opportunity for the community sector to provide input and feedback on the REES, which is due to commence on 1 January 2009.

At this consultation meeting DTEI will give an overview of and invite comment on each element of the new program.

The consultation paper is available online at www.dtei.sa.gov.au/energy/government_programs/REES.html
